

NEW OCEAN

Free Entertainment.

Next Monday evening, May 23rd, between the hours of 7 and 11 o'clock and during the time the Waialae, Palolo and Kaimuki Improvement Club will be giving you a look through the large telescope at the total eclipse of the moon which occurs at 7:20 and the sweeping Comet which will be visible until 9:30 we have arranged to give a free entertainment at the rest house we have built near the Observatory on Lot 22 Block 62 of the Ocean View Tract for this special occasion and purpose. We invite every one to come and promise a very pleasant time. Berger's Band and Ernest Kaai's Quintet Club will be on hand to supply us with plenty of music. Dancing, singing, refreshments and all the beauties of the heavens and earth will be free to those who attend. We want all those who have bought a lot, all those who did not buy a lot, and all those who intend buying a lot, and all those who do not want to buy a lot to come and join us for a few hours in the delightful evening breeze of the New Ocean View Tract.

NEW OCEAN

"Isn't life worth living" is the remark recently made by 12 in block 108 located in looking north towards the Waialae silver lined clouds. Then turn your crimson attire dazzling in bits of ocean view as far south as all its splendor with the golden transforming the heavens into a wonderful place with its glorious matters not how far this spot commercial future of your block and build a brown stone here a few months of every

Our fixed prices are \$400 for inside lots, 500 sq. ft. each. Our terms \$10 per month on each lot and make an appointment with our representatives.
